

# TaskRabbit's mission is to make everyday life easier for everyday people.

TaskRabbit is a task management network that makes life easier for people overwhelmed by their to-do lists. We connect people with trusted and reliable Taskers from their local communities who can help get the work done, for now and over the long term. TaskRabbit is help for life.

## How TaskRabbit Works

Find us online or download our app on the App Store or Google Play.

### 1. Describe the Task

Give us the details and we'll provide you with a list of Taskers.

### 2. Choose Your Tasker

Select from a list of qualified and fully vetted Taskers for the job.

### 3. Get it Done

Just like that, your Tasker arrives and gets the job done.

## TaskRabbit Fast Facts
